Subject: FW: Camera Update

Hi Angie,

My understanding is that we included sufficient funding in the grant funds to CARB for this. Earl's email below may reflect that the grant folks at CARB haven't alerted him that funding was available for the camera he sought, but my understanding was that the funding we provided CARB including funds for the camera.

Please advise.

Thanks!

Jeremy

Subject: Camera Update

Jeremy,

I have heard nothing about the inclusion of a RoundShot camera in CARB's FY 2018-19 Section 105 Border Activities grant since we discussed this proposal last spring. Can you tell me the status of the proposal?

Thanks.

Earl
